For centuries, pendulums have been used to find lost objects, make informed decisions, and enhance intuition. But what exactly is pendulum dowsing, and how can you use it to tap into the subtle energies of the universe?

In *Pendulum Master*, Erich Hunter answers these questions and more. He provides a comprehensive guide to the history, theory, and practice of pendulum dowsing. You'll learn the basics of how to use a pendulum, including how to choose the right pendulum for you and how to interpret its movements.

But *Pendulum Master* is more than just a how-to guide. Erich Hunter also shares his insights into the nature of reality and the role of intuition in our lives. He explains how pendulum dowsing can be used to connect with our inner wisdom and to make better decisions about our health, relationships, and careers.

If you're ready to discover the secrets of pendulum dowsing, then Pendulum Master is the book for you. Erich Hunter's clear and concise instructions will have you using a pendulum like a pro in no time. And his insights into the nature of reality will forever change the way you think about the world.
