In today's interconnected world, it is more important than ever to understand the complex and ever-changing landscape of international relations. *Preface to World Affairs* is an authoritative and comprehensive guide to the key issues shaping our globalized world.

Written by a team of leading experts, this book provides an in-depth analysis of the major challenges and opportunities facing our planet, including:

- Climate change and environmental degradation
- Terrorism and violent extremism
- Economic inequality and global poverty
- Nuclear proliferation and the threat of nuclear war

- Globalization and its impact on national sovereignty
- The rise of China and other emerging powers
- The future of the United Nations and other international organizations

Preface to World Affairs is essential reading for anyone who wants to understand the complex and interconnected world we live in. It is a valuable resource for students, policymakers, and anyone else who wants to make informed decisions about the future of our planet.
