A Comprehensive Exploration of the Interplay Between Religion and Politics

Delve into the intriguing world of political science and religious studies with The Routledge Handbook to Religion and Political Parties. This authoritative volume presents a multifaceted examination of the complex relationship between religion and political parties, offering a comprehensive understanding of how these two spheres interact and shape one another.

Edited by renowned scholars Scott W. Hibbing and Thomas Burge, this handbook brings together a team of leading experts from diverse disciplines to provide a comprehensive overview of the latest research and theoretical perspectives on religion and political parties. Divided into five thematic sections, the handbook explores:

- The theoretical foundations of the relationship between religion and political parties
- The empirical evidence on the impact of religion on party politics
- The role of religion in party formation and development
- The impact of political parties on religious beliefs and practices

- The future of religion and political parties in the 21st century

With its in-depth analysis, insightful case studies, and thought-provoking essays, *The Routledge Handbook to Religion and Political Parties* is an essential resource for students, researchers, and practitioners interested in the intersection of religion and politics. It offers a nuanced understanding of the complex ways in which religion and political parties influence each other, providing a valuable contribution to the ongoing scholarly debate on this fascinating topic.
