## About the Book

Warriors: Vision of Shadows: Darkest Night is the fourth book in the Vision of Shadows arc of the Warriors series. It was written by Erin Hunter and published by HarperCollins on May 8, 2018.

The book follows the cats of the Clans as they face their darkest fears. The Clans have been divided by a prophecy, and each Clan must choose a path to follow. Some Clans choose to follow the path of light, while others choose to follow the path of darkness.

The path of light is led by Shadowsight, a young ThunderClan cat who has been chosen by StarClan to lead the Clans to a new era of peace. Shadowsight must overcome his own fears and doubts to lead the Clans to safety.

The path of darkness is led by Ashfur, a former ThunderClan cat who has been corrupted by the Dark Forest. Ashfur seeks to destroy the Clans and plunge the forest into darkness.

The Clans must choose between light and darkness. Their choice will determine the future of the forest.
